# PRE INSTALL CHECKLIST

---

Pacific Floors implement strict quality control guidelines across all our products, small imperfections may still go unnoticed at times.

## **BEFORE YOU INSTALL THIS MATERIAL:**

Please ensure that the product you have received is free from irregularities and is satisfactory to you by checking the following:

1. Is this the product you ordered?  Size  Profile  Style  Quantity  Colour\*
2. Are there any defects, such as:  Mis-milled planks  Blotches  Irregular colour variation?

Please note that due to the individualised nature of samples and materials supplied by Pacific Floors Pty Ltd, there may be significant variations in size, shape, colour, texture and thickness.

These irregularities are inherent in hand made materials and cannot be deemed as a defect. Samples are given as an indication of a particular product and are for references only.

Due to the inherent variations in the shape, size, colour, thickness and texture of our materials, individual samples cannot be considered exact interpretations

Once this material has been installed, Pacific Floors will not be liable to you or anyone else for any costs or expenses incurred and will not be responsible in any way for any damages and will not repair or replace any flooring with manufacturing defects which are visible or which reasonably could have been discovered by you or your installer prior to installation.

If you are not satisfied with the flooring for any reason, contact Pacific Floors prior to installation.
